To make boomerang:

- 1) Print on card stock and cut out. Tape 3 boomerangs together on both leading and trailing edges. OR print on normal paper, cut out, paste on heavy posterboard, and cut out.
- 2) Bend right tip of wing up about 15 degrees.

To fly boomerang:

- 1) Tuck unbent tip between the first and second knuckle of your first and second finger.
- 2) Sling boomerang forward with a slight flick, so that the boomerang spins quickly as it moves away.
